Setting Up

## WE ARE INSPIRED BY YOUR BUSINESS SUCCESS...

We establish, license, regulate and operate highly efficient Free Zones by providing a highly competitive incentive scheme, excellent support facilities and service for the purpose of creating an enabling environment for export manufacturing and other commercial activities.

## US WORKING

### Nigeria Customs Service (NCS)

Our cordial working relationship with the Nigeria Customs Service helps in expediting easy market access for our investors by ensuring prompt importation of raw materials and exportation of finished products. All of our Zones have officials of NCS available 24/7 to facilitate business activities.

Nigeria Export Processing Zones Authority (NEPZA)  
choice destination for global business & investment

## US WORKING

### Nigeria Port Authority (NPA)

Most of FZs are closely located to excellent transport infrastructure (port) through NPA to increase the ease of raw material and product logistics for our investors.

### Central Bank of Nigeria

Partnership with CBN with the view of providing offshore banking services within our FZs that will guarantee greater security and privacy of every investor's capital.

### Nigeria Police Force

With the strong presence of various security agencies in our Free Zones, investors can be rest assured of 24 hours protection of lives and investments (assets).

### State Governments

The Authority collaborates with state governments in securing swift issuance of land related permits to increase the confidence level of our investors.

### Nigeria Immigration Service (NIS)

For the purpose of encouraging ease of doing business within our Free Zones, the Authority works closely with NIS to ensure prompt issuance of various employment visas and permits for our investors. All of our Zones have officials of NCS available 24/7 to facilitate business activities.

The Nigeria Industrial Revolution Plan (NIRP) has evaluated areas where Nigeria has some level of regional or international comparative advantage. However, our Zones are also open to other investments based on merit and sustainability.

## AGRIBUSINESS & ARGO ALLIED

The NIRP is focused on mid-stream and down-stream processing and market activities, and therefore integrates with the Nigeria Agriculture Transformation agenda (ATA) which increases agro-output to feed industry and the NIRP. The sub-sectors in focus are:

- Food processing Sugar
- Palm oil processing
- Cocoa processing
- Leather and Leather Products
- Rubber Products
- Textiles and Garments

## SOLID MINERALS & METALS

The NIRP will create an enabling environment targeting large scale investors, in order to institutionalize world-class production standards in the country. The sub-sectors in focus are:

- Cement
- Basic Steel
- Aluminum
- Chemicals
- Auto Assembly

Nigeria Export Processing Zones Authority (NEPZA)  
choice destination for global business & investment

## OIL & GAS RELATED INDUSTRY

Oil and Gas investors can use Nigeria's cheap and abundant gas to revitalize industry, encourage high value-adding downstream investments, and build institutional industrial strengths within the country. The sub-sectors in focus are:

- **Petrochemicals**
- **Fertilizers**
- **Methanol**
- **Plastics**
- **Refineries (with Oil & Gas Ministry)**

## CONSTRUCTION, LIGHT MANUFACTURING & SERVICES

Significant opportunities exist in the local market driven by Nigeria's large consumer population, business demands, and infrastructure needs. The existing population and stage of economic development in Nigeria presents unique opportunities. The sub-sectors in focus are:

- **Housing** (i.e. supply side\construction)
- **Light Manufacturing** (consumer and home goods)
- **Methanol**
- **Services**

Nigeria Export Processing Zones Authority (NEPZA)  
choice destination for global business & investment

- 1 Complete an application form which can be downloaded online or collect from the administration of the free zone or from NEPZA HQ in Abuja, with a non-refundable fee of US\$500 or its Naira equivalent.
- 2 Submit completed application form to the Zone Administration or NEPZA Office in Abuja along with required Project Plan/Feasibility Study. Application will be reviewed and either approved or returned with observations within five (5) working days.
- 3 On approval of application, an Operating License (OPL) will be issued by the Free Zone Administration. Being licensed by the Authority constitutes registration and no further registration is required with the Corporate Affairs Commission (CAC). It is at this point that the Free Zone Administration will discuss your site location and assign or reserve a space for you.
- 4 Remit your investment capital through banks located in the zones which will in turn issue a Certificate of Capital Importation.
- 5 Prepare your building or warehouse space. Investors who are constructing their own buildings must submit four (4) copies of full architectural drawings for approval by Zone Management according to established building codes. Built-up spaces should not exceed 70% of the leased land, and construction should start within three (3) months after execution of agreement.
- 6 Move in and operate. Government has designed the process to be as streamlined and user friendly as possible. Some companies may have some additional procedure to follow such as obtaining permission for their foreign nationals and employees which can be done at the immigration desk offices in the free zones.

**NOTE: THE ABOVE STEPS APPLY TO FEDERAL GOVERNMENT ZONES ONLY. KINDLY CONTACT THE ZONE MANAGEMENT OF NON-FEDERAL GOVERNMENT ZONES DIRECTLY FOR THE APPLICATION PROCEDURES.**

奈及利亞工業改革計畫（NIRP, Nigeria Industrial Revolution Plan）對奈國具一定程度區域或國際競爭優勢的貿易區進行評估。不過，我們的貿易區依然會開放予具備優勢和永續的投資者。

## 農企業及農工相關產業

奈及利亞工業改革計畫的對象為中游及下游的加工和市場活動，因此與奈及利亞農業轉型方針（ATA, Agriculture Transformation Agenda）互相配合，增加農業輸出，以滿足產業及此計畫的需求。重點子產業包括：

- 砂糖加工
- 棕櫚油加工
- 可可加工
- 皮革及皮革製品
- 橡膠製品
- 紡織品及成衣工業

## 固態礦產及金屬

奈及利亞工業改革計畫將針對大規模投資者打造一個有利環境，以便在國內建立世界級生產標準。重點子產業包括：

- 水泥
- 卑金屬
- 鋁
- 化學品
- 自動組裝

奈及利亞出口加工園區管理局 (NEPZA)  
全球商務與投資活動的絕佳標的

## 石油和天然氣相關產業

石油及天然氣投資者可以利用奈及利亞低價和豐富的自然氣來振興產業、鼓勵高附加值下游投資以及在奈國打造企業的工業優勢。重點子產業包括：

- 石化工業
- 肥料
- 甲醇
- 塑膠
- 精煉廠(與油氣部合作)

## 營建、輕工業及服務

奈及利亞消費人口眾多、商業需求及基礎設施需求龐大，使本地市場蘊含強大商機。奈及利亞現有人口和經濟發展階段提供了獨特機會。重點子產業包括：

- 房屋(供應方/營建)
- 輕工業(商品及家用品)
- 甲醇
- 服務業

將申請表連同所需的項目計劃/可行性研究報告交至阿布札的奈及利亞出口加工園區管理局辦公室。管理局將對提交的文件進行審查，並於五個工作天內批核或連同建議退回。

3

申請一經批核，自由貿易區管理局將發放經營許可證。獲得管理局發放的經營許可證即完成註冊，無須再向公司事務委員會註冊。此時，自由貿易區管理局將與您討論貿易區位置，並為您分配或保留位置。

4

請至設於各個自由貿易區的銀行匯入投資資本，完成後將獲發資本匯入證明。

5

準備建築物或倉庫空間：投資者若要自己建造建築物，必須提交四份完整的建築圖，貿易區的管理部門將根據相關建築規範進行批核。建築面積不得超過租賃土地的70%，並應在簽署協議後三個月內開始施工。

6

入駐及營運：為方便企業發展，政府已盡可能簡化申請流程。部分公司可能需要遵循額外程序，例如外國公民和僱員必須到自由貿易區的移民服務辦公室取得許可證。

請注意：上述程序只適用於聯邦政府區。如對申請程序有任何疑問，請直接聯絡非聯邦政府區的自由貿易區管理部門。
